Financial Policy

Thank you for choosing Madison Ave Dental. Our Primary mission is to deliver the best and most comprehensive dental care available. An important part of the mission is making the cost of optimal care as easy and manageable for our patients as possible by offering several payment options. In order to enhance communication and promote understanding regarding our Financial Policies, please read through the following information.

Payment Options:

- Cash or Check
- Visa, Mastercard, Discover Card, and American Express
- No interest payment plans with CareCredit
- A PRE-ARRANGED in-office payment plan

Please Note:

Our office requests payment in full on the day of service unless specific arrangements have been made in advance.

If you have insurance, we will submit the claim to your insurance carrier. Your estimated out of pocket will be due at the time of service. After insurance pays their portion, we will send a statement to you if there is any remaining amount unpaid by your insurance. It is the responsibility of the patient to know the plan benefits and limitations associated with their individual insurance plan. The patient is financially responsible for all charges, whether or not paid by insurance.

A $35 fee may be assessed for any check returned by a bank

There will be a $50 fee for any appointment canceled or rescheduled with less than 48 hours of notice.

If you have any questions, please do not hesitate to ask. We are here to help you get the dentistry you want or need.

NO SHOW & LATE CANCELLATION POLICY ($50 CHARGE)

Due to increased scheduling demands and in lieu of raising prices, we have implemented a stricter no show & late cancellation policy beginning 2024.

Showing up to your appointment is extremely important. Since that time has been reserved for your dental care, you must give a minimum of **48 hour notice** to reschedule or cancel your appointment. If proper notice is not given, this will result in a **$50 charge**.

Missing your scheduled appointment hurts multiple people: yourself, the dentist, the team member responsible for your care, and other patients who could have potentially been seen at that time. With enough notice, we can provide care to others.

We understand that emergencies happen and may waive this fee for certain circumstances – however, this will be at our discretion. Please note, work and traffic issues do not constitute emergencies. Furthermore, if you are more than 10 minutes late to your appointment, we may be forced to reschedule. Multiple missed appointments could result in dismissal from care at our office.

We value our patients and their trust in us, and hope that we can continue to provide the best possible care we can. Thank you for your understanding and support!
